

PETIT BAIGNEUR

2025

With its blend of merlot and cabernet franc, this press rose shows its delicate aromas of flowers, strawberries and pear. Its delicate acidity reminds of a swim into the clear water by a hot day.

Don't abuse of the Petit Biagneur, otherwise you will be swimming in the fog the next day.

TASTING

Nose on red crisp fruit with floral notes. The palate is fresh with a nice acidity and expressive, and will end on citrus notes.
